Homework: There will be homework assignments.

Late homework **will not be accepted**. Homework will be graded and give an **important** contribution to your final grade
(final score $\% = 50\% \times \text{Homework} + 50\% \times \text{Final}$).

Exams: There will be final take-home exam.

Students with Disabilities: If you have a disability, it is essential that you speak to the course supervisor early in the semester to make the necessary arrangements to support a successful learning experience. Also, you must arrange for the course supervisor to receive a Letter of Accommodation from the Office of Disability Services. (see <http://www.physics.rutgers.edu/ugrad/disabilities.html>)
