

PHYSICS 110: Astronomy & Cosmology

COURSE WEBSITE :

<http://www.physics.rutgers.edu/~pcote/110/>

THERE YOU WILL FIND MORE THAN YOU'D EVER WANT TO KNOW ABOUT THIS COURSE!

INSTRUCTOR: **Prof. Patrick Côté**

Room 309

Physics and Astronomy Building (Serin Labs),
Busch Campus

e-mail: pcote@physics.rutgers.edu

Office hours: Monday period 2 (9:50 - 11:10 am)

GRADER: Name and coordinates are posted on the course webpage.

Checklist for the next few days

- Buy the book, if you haven't already.
- Buy the WebAssign access code: if you don't, you will not be able to log-in after February 3rd!
- Log onto WebAssign and make sure your account is active. If it isn't, send me email IMMEDIATELY
- Change your WebAssign password to something only you can guess

CLASS LOCATION:

The class meets every Tuesday and Thursday during period 6 (4:30 to 5:50pm) in the Physics Lecture Hall, Busch campus

TEXTBOOK:

Astronomy Today (4th Edition),
by Chaisson & McMillan
ISBN 0130915424

HOMEWORK & ATTENDANCE

Due every tuesday at 11:59pm, starting on 02/03 ending on 05/04.

Homework is handled online by the WebAssign system:

<http://www.webassign.net>

Your WebAssign username is listed on the course website.

Your WebAssign password is your social security number.

NO LATE HOMEWORK CAN BE ACCEPTED!

EXAMS:

MIDTERM EXAM: MAR 9

FINAL EXAM: TBA

SEE THE WEBSITE FOR EXAMS TIMES AND LOCATIONS.

GOLDEN RULE: PLAN ON SPENDING 2-3 HOURS OF STUDY OUTSIDE OF CLASS FOR EVERY HOUR IN CLASS.
